

SAMPLE EMAIL TO DISTRICT/SCHOOL STAFF ANNOUNCING PARTNERSHIP

[**District/School**] and [Honest Game](#) have partnered to provide a comprehensive system that:

1. Automates the tracking of NCAA and NAIA requirements for our students.
2. Empowers and educates families on the College Athletic Pathway from A to Z.
3. Audits and monitors our NCAA list of approved courses.

In the coming weeks, Honest Game staff will work with [**District/School**] staff to securely launch accounts, and share more information about how our staff can use data to help students and families. For more information on the process, please see [Honest Game's High School Onboarding Timeline](#).

Please keep a look out for communication from our Honest Game Senior High School Success Manager and former high school athletic director, Courtney Sakellaris. In the meantime, you can contact Courtney (csakellaris@honestgame.com) with any questions.

We look forward to partnering with Honest Game to help provide more post-secondary opportunities and drive improved learning outcomes for our students!
